1.75” OD Hose Port
PC7067, PC7068

Product Description

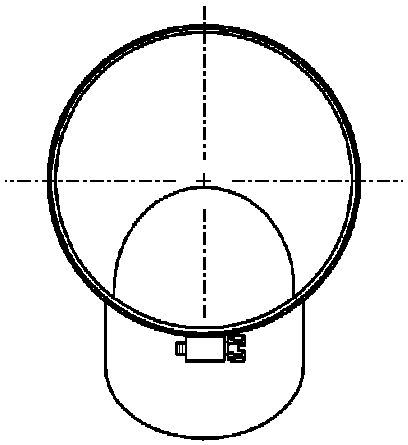

Light weight polycarbonate construction

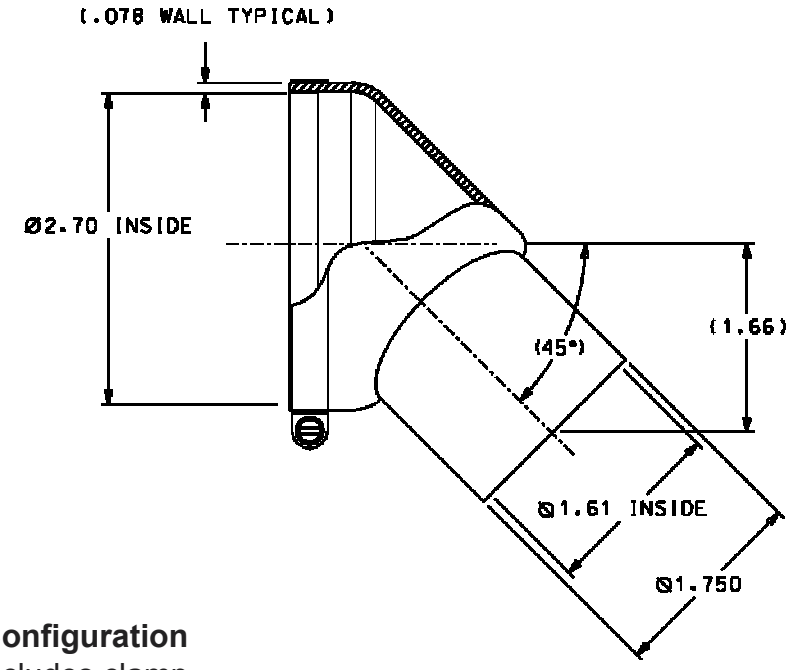

Available with or without gear clamp

Simple slip on installation

45 degree angle hose port

Hose port to accommodate 1.75 inch ID hose

Part Number	Configuration
PC7067-1	Includes clamp
PC7068-1	No clamp

The plenum cap is designed to install on our AV576505 air valve or AG7030-1 air grill. The plenum cap is made from injection molded polycarbonate. The plenum cap hose port is designed to accommodate 1.750 inch diameter air hose. PC7067-1 includes a stainless steel gear clamp for securing the plenum cap to the air valve or air grill. The plenum cap is supplied as part number PC7068-1 for applications not requiring a clamp.
